INTRODUCTION:

The decisions your company makes today will be felt far into the future.

Let's get it right.

Business leaders need real-time data and insights into the COVID-19 crisis. You also need expert HR advice and the right technology to navigate compliance legislation and vaccine mandates

We're here to help, every step of the way. For more than 30 years, Paycor has been listening to and partnering with leaders, so we know what you need: **real-time data, actionable insights, expert HR counsel and guidance.**

Safety

Protecting employees and creating safe workplaces is paramount at this time.

Discover new product enhancements Paycor offers to help HR and business leaders prioritize the health and safety of their people.

# How Paycor Helps:

• Vaccine & Immunization Tracking
Paycor is one of the first HCM providers to offer an immunization tracker that is fully integrated into our platform. Employees can upload proof of vaccination or COVID-19 test results directly from a computer or mobile device.

• Vaccine Reporting
Detailed reporting allows leaders to track immunization status and test results for the entire organization.

• Facial Recognition
Paycor Time offers a facial recognition time clock promoting a touchless employee experience when clocking in and out.

Analytics

It's never been more important to monitor your workforce. To do that, you need to inform your decision-making with perfect insight into your operating requirements and key employees.

Get a complete picture of your workforce in real time.

How Paycor Helps:

• Instantly Identify Current and Future High-risk Locations
See which employees live and work in geographies most impacted by the virus, both now and in the future.

**• Identify Mission-critical Employees**
Remove uncertainty so you can tailor your response plans and communications while identifying mission-critical employees and roles across office locations.

• Proactively Monitor and Minimize Risk
Make quick, proactive decisions based on real time data.

• Understand How Employees Think and Feel
Measure sentiment to gain insights into how your workforce is feeling with Paycor Pulse.
