The Benefits of Partnering with Paycor

- Unlike many of our competitors, we don't sell one-size-fits-all technology. Instead, we customize our human capital management solutions to your clients' business.
- We offer your clients preferential pricing.

Who is a Good Prospect?

- Clients that have not evaluated their solution in the last 12 months, regardless if they use a competitor, their CPA or handle payroll in-house.
- Your clients who need help with HR, payroll, tax compliance, finding new hires, retention, reporting, analytics or talent development.

Questions to Ask Your Clients

1. How are you managing HR, time and payroll at your organization?
2. When was the last time you evaluated your HR and payroll solutions?
3. We have a partner that offers preferential pricing to our customers.
Can I schedule time for you to talk to my Paycor partner about the value of their solutions?

Paycor builds HR software for leaders.

That singular focus guides us to this day.

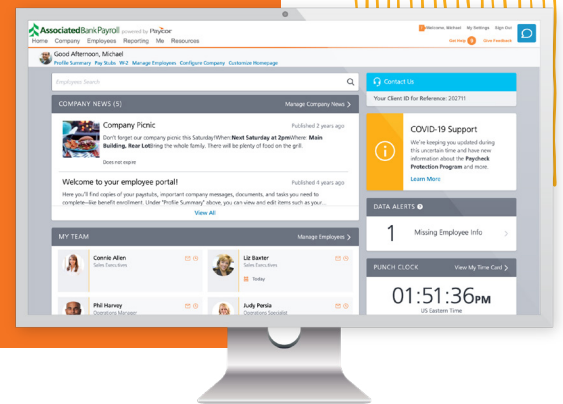

For 30 years, we've been listening to and partnering with leaders, so we know what your clients need: HR technology that saves time, powerful analytics that provide actionable insights and a personalized support model.

That's why more than 40,000 organizations nationwide trust Paycor to help them solve problems and achieve their goals.
